CCF001/2 STD	£1109.00
Bird Kit	£70.00
<p>Standard calf creep feeder. Fixed vertical bars. Adjustable height creep bar. Full width hopper easily filled with loader bucket or bags 400kg capacity.</p>	

CCF001/2 ADJ	£1239.00
Bird Kit	£70.00
<p>Adjustable vertical bar calf creep feeder, easily adjusted from 5 space to 4 allowing older animals to gain access. All the same features as the standard creep feeder, TPL and fork lift frame as standard.</p>	

CCF015-8	£2050.00
CCF015-10	£2207.00
<p>1000kg/1200kg. Single sided jumbo calf creep feeders to suit larger herds with need for more capacity. Easily filled with loader bucket, has skid plate on the lid to flow feed into hopper. Creep gates removable to allow ad-lib feeding, 8ft and 10ft models available.</p>	

CCF018-8	£2759.00
CCF018-10	£2999.00
<p>1250kg/1500kg. Double sided calf creep bulk feeder, for larger groups of animals, like the single sided feeder creep gates can be removed to allow ad-lib feeding, also has height adjustable legs. 8ft and 10ft models available.</p>	

CCF012 Mobile Calf Creep	£3575.00
Bird Kit	£189.00
<p>1250kg. 8ft mobile calf creep feeder. Wheels located at rear of machine to allow full access to feeding trough. creep gates removable to allow ad-lib feeding. Gates all hang on to side of machine for transport.</p>	

CCF012/2 No Creep Gates	£2687.00
<p>Feeder shown without creep feed gates, ideal machine to ad-lib feed strong store and fattening cattle.</p>	

CCF017- Mobile Creep Feeder	£7201.00
-----------------------------	----------

Bird Kit	£353.00
----------	---------

3000kg capacity bulk calf creep feeder, aimed at the larger group of cows and calves. It can be fitted with blow pipe connections to allow delivery straight into hopper. 16ft feeding area on both sides.

Creep Gate assembly - easy to set up. Gates fit on to the side of the hopper to transport machine. 5m long x 3m wide (16ft x 10ft).

CF048 Single Sided	£1306.00
--------------------	----------

500kg single sided bull beef feeder. Complete with lid and rain canopy. Adjustable height legs.

CF049/8 Single Sided	£1561.00
----------------------	----------

CF049/10 Single Sided	£1668.00
-----------------------	----------

Bird Kit	£70.00
----------	--------

1000kg/1100kg bull beef feeder. Complete with lid and rain canopy. Adjustable height legs.

CF051/8 Double Sided	£1783.00
----------------------	----------

CF051/10 Double Sided	£1922.00
-----------------------	----------

Bird Kit Fitted	£177.00
-----------------	---------

1250kg/1500kg double sided bull beef feeder. Complete with lid and rain canopy. Adjustable height legs.

CF051 16ft Mobile	£5248.00
Bird Kit Fitted As Shown	£521.00
<p>3000kg Double sided bull beef hopper.                  2.5m wide x 5m long.                  Ideal hopper for large groups of fattening cattle.                  Blow pipes can be fitted.</p>	

Cattle feed trailers built in various sizes from 14' to 25'. All trailers with optional wooden or steel floors, retractable draw bars. All built with full beam heavy duty axles, new wheels and tyres.

Trailer shown with wooden floor, retractable drawbar.

FT143	14x6	30 space	£2052.00
FT166	16x6	34 space	£2246.00
FT206	20x6	40 space	£3149.00
FT251	25x6	48 space	£3821.00

FT161T 16x6 22 Space	£2586.00
<p>Tombstone feed trailers ideal for horned cows and bulls - stops head getting trapped.</p>	

CF051/20 9000kg Approx. Bulk Feeder	£10715.00
Bird Kit	£391.00
<p>6 Metre long by 2.5 Metre wide, 80 mm 8 stud wheels, sprung draw bar, twin rocker axles on 340/65 R18 Wheels.</p> <p>Mobile bulk feeder for the larger fattening units with the capacity to feed large numbers at one time.</p> <p>Fitted with rain canopy to keep feed dry, trough lowered to accommodate smaller animals as well as large.</p> <p>Fully hydraulic opening lid, as shown, to allow easy and quick filling of hopper.</p> <p>Storage for removable hydraulic and light fittings to avoid animals destroying them.</p>	

CF052 Double Cattle Trough	£238.00
CF052 With Wheels	£277.00

Double cattle trough for feeding in the field or inside.  
 Heavy duty, all welded construction. One piece folded trough for strength. Fully galvanized after manufacture. As shown with wheel option.

Bunker Feeder 3 Metre	£1083.00
-----------------------	----------

Front feed Bunker feeder. Ideal for setting in doorways or on the end of building. Silage, loaded at rear, slides down the slope as it is fed, pallet fork slides for easy movement.  
 Height adjustable legs. Swivel feet for uneven ground. Other sizes available upon request. Also available with door.

PEATV CALF CATCHER PEATVCC Calf Catcher	£1382.00
--	----------

Designed to be used behind ATV bike to tag and jag calves in the field. Offset from the ATV, the operator drives up to animal with the guillotine gate open and drops gate over the calf. Operator then enters the crate and can work safely in the pen with the mother cow able to see through the open bars. Adjustable draw bar for inline towing from field to field.

Guillotine gate easily operated from ATV seat.

Easy exit gate for the animal to exit after the operator has tagged and dosed the animal.

Crate complete with tool boxes to store tags, record books and medical equipment. Safe work area.

PCH015 Mobile Cattle Handler	£12229.00
Galv Mobile Handler	£14884.00

5 metre mobile cattle handler complete. Fully retractable draw bar, auto head yoke. 4 access doors on either side open to floor level.

Mobile race in the working position can be set up in less than 5 minutes. Tractor hydraulic coupling to raise and lower. Also supplied with hand hyd pump if taken by land rover type vehicle. 2 way slide gate and vet inspection in the centre of the crush.

SFS021 Single Lamb Creep	£622.00
--------------------------	---------

150kg single sided lamb creep feeder complete with 4 wheels. Ladder type adjuster on lamb creep entry. All welded construction & lift hooks.

SFS019 Double Lamb Creep Feeder	£1243.00
SFS019 Fork Lift Bar	£212.00

300kg hopper, built in 2 halves to bolt together. The twin hopper can then also be used as single sided feeders. Ladder type adjuster on creep entry gates All welded construction for long life. Standard with 4 Wheels.

SFS017/2MLC Mobile Lamb Creep Feeder	£2105.00
--------------------------------------	----------

250kg mobile lamb creep feeder towed by ATV. Creep gates fold down to form lamb creep.

Mobile lamb creep feeder with creep gates in transport position.

SFS030 Bulk Lamb Creep	£1909.00
------------------------	----------

1250kg feeder ideal for large groups of ewes and lambs where bulk feeding to save time. Creep gates can simply be removed to allow ad-lib feeding. Complete with internal slides to adjust feed flow rate.

SFS018/2MLC Mobile Lamb Creep Feeder	£2384.00
--------------------------------------	----------

1250kg feeder complete with fold up creep gates. Internal adjustable slides to adjust feed flow. Heavy duty ring hitch and screw jack for levelling machine in field.

Model shown with creep gates in raised position, on 23-10/50x12 flotation wheels.

Static hogg hoppers from 250kg to 1250kg. All have internal slides to adjust feed flow. Canopy to keep rain out. Lamb creep gates (set can be fitted to all models). Adjustable height legs for the small lambs when used as lamb creep feeder. All welded construction made from heavy gauge steel for longer life.

SFS017 250kg Hogg Hopper	£868.00
--------------------------	---------

SFSOLCG Lamb Creep Gates (set)	
--------------------------------	--

8'	£701.00
----	---------

10'	£745.00
-----	---------

To suit all static and mobile feeders. Static set shown.

NEW AND IMPROVED LAMB CREEP GATES COMING SOON

SFS018-8' 600kg Hogg Hopper	£929.00
-----------------------------	---------

SFS018-10' 750kg	£1036.00
------------------	----------

Both with Internal adjustable sliders to control flow rate of feed. Adjustable leg height for easy feeding.

SFS018/2 8' 1250kg Hogg Hopper	£1208.00
--------------------------------	----------

Adjustable leg heights for easy feeding.

SFS017/2 Mobile Hogg Hopper £140400

250kg capacity, internal adjustable slides to adjust feed rate.  
50mm ball type fitting, screw jack fitted, 2310/50x12 flotation wheels.  
Ideal to tow behind ATV bike to get to locations quicker and easier and allowing easy movement when checking on stock.

SFSO18/1 Mobile Hogg Hopper £1462.00

600kg Capacity internal adjustable slides for feed flow rate.  
50 mm ball hitch to tow behind towing vehicle.  
  
Not recommended behind ATV when full.

SFS018/2 Mobile Hogg Hopper £1682.00

1250kg hopper fitted with agricultural ring hitch. This feeder is better suited to being towed by tractor or pick up for larger feeding groups. Fitted with screw jack for easy hitching to vehicle used.

SFS029 Mobile Hogg Hopper £3511.00

2500kg capacity hogg hopper for larger groups of fattening lambs with 32ft total feeding space and large capacity hopper.

Internal adjustable slides to adjust feed flow rate as standard on the whole hogg feeder range.

Sheep feed trailers in various sizes from 8ft - 20ft

Narrow trailers suited to pit silage or meal, wider trailers can take large round and square bales, fitted with 23/10/50x12 Flotation tyres.

S801	8' x 4'6" Wide	26 Space	£1196.00
S1601/1	16' x 4'6" Wide	48 Space	£1836.00
S201/1	20' x 4'6" Wide	56 Space	£2169.00

S801 Diagonal Bar

S801 Horizontal Bar for horned sheep

S201 4'6" x 20' Sheep Feed Trailer Diagonal Bars

SNAK Snacker Feeder £1306.00

320kg capacity snacker feeder. Plastic hopper, easy snap shut lid for fast turn around. No muck can enter the hopper allowing free running feed. Fits under most common feed bins being 47" tall.

Fully galvanized frame with wide galvanized mud guards for extra long life.

Lid flips over to allow easy filling under storage bins. Heavy duty swivel hitch - less strain on ATV. Easily adjusted barrel type feed dispenser with 3 settings giving 0.75kg to 2.5kg drops. Flotation wheels.

PEATV006 7x4 £2676.00

7x4 Trailer complete with lift off canopy, aluminium tread plate floor, drop sides, standard internal lamb division, ramp tail door, with built in internal door.

Ideal all round trailer for livestock movements and able to carry ATV bikes when canopy removed. Drop sides allow trailer to be used for various duties around the farm and garden.

- Standard Internal Lamb Division
- Ramp gates included - ideal for use when loading and unloading stock
- Ramp tail gate with internal door

S203 Standard Aluminium Mobile Sheep Handler Off-road system £8321.00

Standard trailer complete with 10' race. 15 x 5' part sheeted railed hurdles. Front and rear guillotine gate (front fitted when put into working position). Two centre shedding gates to allow three-way shedding.
